

Authorized Product Lines

Providing the highest quality of products and customer service throughout multiple industries and applications.

High End Semiconductor

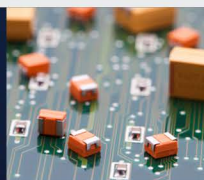

Active Components

Electro- Mechanical

Passive Components

All Support Automotive Applications

OPAMP / POWER SEMI's

- Novosense
- Zilltek
- Southchip
- Joulwatt
- RunIC

MEMORY

- Intelligent Memory
- Flexxon

DISCRETES

- Good-Ark
- Yangjie Semi
- MCC

LED

- Ylin
- VA Opto
- Harvatek

BUZZERS

- Chinasound
- Flezon

RESISTORS

- PDC / PSA Group
- TA-I

CONNECTORS

- CJT
- Degson
- AUK
- On-Shore
- Oupiin
- CZT

SWITCHES

- Dailywell
- Diptronics

CRYSTALS / OSCILLATORS

- Taitien
- Pletronics
- Shoulder

INDUCTORS

- Sunlord
- RSIN
- TAI-TECH

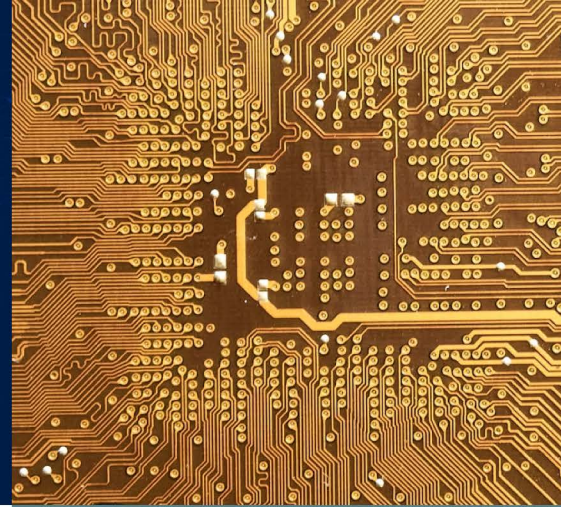

CAPACITORS

- Capxon
- PDC / PSA Group
- Darfon

FUSES

- Conquer

Quality Products & Trusted Relationships

Industry Sectors

| | | |
|--|---------------------------------------|---|
| Automation Industrials, Controls, Robotics | Energy Energy, EV Charging | Lighting LED, Smart Lighting, LiDAR |
| Technology Emerging Technologies | Drones UAV, Drones | Cloud Cloud, Hyperscale, 5G, IOT |
| Wearables Wearable Technology, Smart Devices | White Goods Home Appliances | Aerospace Aerospace, Defense |

K-1 Solutions

| | | |
|------------------------------------|------------------------------|--|
| Global Sourcing | BOM Analysis | VMI Solutions |
| Excess Inventory Management | Alternative Solutions | 10-Year Guarantee On All Our Products |

K-1 Testing

| | | |
|------------------------------|----------------------|--|
| Visual Inspections | Microscopy | Solvent Analysis |
| X-Ray Analysis | XRF Analysis | Moisture Baking |
| Solderability Testing | Decapsulation | AOI 2D Tape & Reel Inspection |
